

HR Portal in a POSH Training Platform

The **HR Portal** enables HR personnel to manage employees, assign training, monitor compliance, and generate reports for their company.

1. Employee Upload (Excel/CSV)

HR can upload employee details in bulk instead of creating them one by one.

Supported Formats

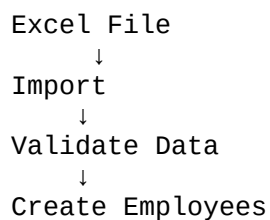

- Excel (.xlsx)
- CSV (.csv)

Sample File

EmployeeID	Name	Email	Department
1001	Ravi	ravi@company.com	IT
1002	Kumar	kumar@company.com	HR
1003	Priya	priya@company.com	Finance

Features

Bulk Upload

Validation

Checks:
